

BMF SANDTON BRANCH FORUM

26th February 2009

Dear Mr. Ezra Ndwandwe,

On behalf of all the members of the BMF Sandton Branch, we as ManCo (Management Committee) would like to extend our deepest gratitude to you for addressing our members on the evening of the 19th February 2009. The response from our members thus far has indicated that the Forum addressing the topic:

"Reflections on the MPC deliberations and the Budget speech: is inflation targeting the answer to all of the economy's ills"

has been one of the best the Branch has hosted to date.

Yours truly,

Pulane Thabane
