

June 2007

Dear Ezra

On behalf of the Gordon Institute of Business Science and Sasol, I would like to take this opportunity to thank you again for your contribution to the success of the Sasol 2020 executive conference hosted in May 2007.

We received extensive feedback from the delegates attending the conference, including a rating for each speaker. The average rating for speakers was 3.85 out of 5. The rating you received was 4.26. The comments from the delegates on your session included:

1. Straight to the point. Very interesting.
2. A bit serious but kept us captivated. Could have given us more about setting up effective coaching programs though.
3. The transfer of knowledge was excellent with practical examples.
4. Made me realise the need for coaching/mentoring.
5. Same old, heard it before.

Should you have any queries, please do not hesitate to contact me. We thank you once again for your participation, preparation and input and look forward to welcoming you to GIBS again in the near future.

Regards

Michael Goldman
