**Dear Mr Ndwandwe**

**Your presentation at the UNISA SBL Alumni Homecoming event**

On behalf of the Alumni Association of the UNISA Graduate School of Business Leadership (SBL), I would like to thank you for sharing your knowledge and expertise with our Alumni, Current Students, Staff and the Business Community at the School's first "Homecoming" event on 6 September 2008.

Your views were insightful and we received an overwhelming response from the audience applauding your presentation.

We at the SBL were proud to showcase our successful and inspirational Alumni at this event.

It was an honor to be in the company of a true inspirational leader! We look forward to future endeavors.

Yours sincerely
